Masters Studios will bring you an incredible summer camp experience!!

Register now for summer karate camp. Summer is a time for fun, but this does not mean that what has been learned throughout the year should be forgotten. Our program focuses on building character and developing physical skills in a fun atmosphere. Our objective is to have each student get smarter, get stronger and to have a great time doing it! Each day, we focus on one of the five school animals (Tiger, Dragon, Leopard, Crane & Snake). Students will be taught new techniques and will learn to understand older techniques from different perspectives. We will also be Doing Kung Fu form. Games and drills will fine tune skills and understanding. Stretching and conditioning will strengthen the body. Each day we will have a story dealing with one of the five school attributes- effort, etiquette, sincerity, character, and self-control.

Students may participate by the day or week.

Students should wear karate pants and studio t-shirt.

Full Day students need to pack a lunch. We eat ~11:45AM (FRIDAY~ 1:30PM)
