Register now for summer karate camp. Our program focuses on improving the student's martial arts fundamentals and learning new material. Each day we practice drills and learn techniques following the fighting principles of the five school animals (tiger, dragon, leopard, crane, and snake). During the week we also learn a kung fu form and play many karate games that build the student's endurance and flexibility.

Students may participate by the day or the week  
Students should wear karate pants and a Masters t-shirt  
Students must bring lunch and a snack

**All ages (5+) and ranks are welcome to attend. A non-refundable deposit of \$40 is required per weekly session. Balance must be paid in full the week before your camp session.**
